Betty Lee, inventor observes "The need for Love, Belonging, Connection, Relationship, and Intimacy are Universal." This App provides 50 copyrighted open-ended questions to springboard conversations. Players swipe cards at random on the screen of the App, and ask their dates or partner questions to

get to know them better and easier. In a fun way, so it does not seem you are interrogating the other person. This is not trivia, so there are no wrong answers.

App offers **5 FREE trial** random questions, before a player chooses to subscribe monthly or yearly. Such as:

“If money were no object, where would you spend a fun and romantic evening?”

“What is your view of the opposite sex?”

“How would you spend \$1 Million?”

“Who is your favorite singer, performer or band?”

“What goals are you looking for in a relationship?”

These questions will reveal a lot about the other person, in a fun way, because both are playing this game. This last question can Save YOU and many players' time and energy to determine if you are interested in pursuing a relationship with this person or not? Questions range from simple “What kind of food do you like?” to “Where would you go for a family reunion?” This can reveal what the person's family life is? Do they have a dysfunctional family or a harmonious one?

Testimonials from several players:

“I had to think of answers to these questions. This not only helped me get to know the other person better, but also helped me know myself better.” Ron D., Entrepreneur.

“Could have saved a couple of dinners with dates, had I asked a few salient questions first.” Alan G., retired physician.

“I like that I could ask insightful questions and not sound too inquisitive”. Laura K., Marketing Representative.

“This game is a great idea! I can answer differently, with different dates.” Joanna N.
